Month of the Holy Eucharist

1 Corinthians 11, 23-26

For I received from the Lord what I also handed on to you, that the Lord Jesus on the night when he was betrayed took a loaf of bread, and when he had given thanks, he broke it and said, "This is my body that is for you. Do this in remembrance of me."

In the same way he took the cup also, after supper, saying, "This cup is the new covenant in my blood. Do this, as often as you drink it, in remembrance of me."

For as often as you eat this bread and drink the cup, you proclaim the Lord's death until he comes.

April is honoured as the month of the Holy Eucharist. This year, April 13th, is Holy Thursday, the day that the Church commemorates the Institution of the Eucharist in a special way. For on the night before Jesus' Crucifixion, Jesus met with His apostles, broke bread, and blessed wine. He asked that his followers do these in memory of Him. Catholics believe that when Jesus broke bread and said, "This is my Body", the bread became Jesus' Body and not in a figurative sense; likewise, Catholics believe that the wine when blessed, becomes Jesus' Blood. His command: "Do this in memory of Me", has been adhered to by Catholics for over 2000 years. The mystery of how mere bread and wine can and does transform into Jesus' Body and Blood is called "transubstantiation" and it explains how there is a real substance transformation, while the matter retains its form, taste, etc.,. There have been many Eucharistic miracles and the Holy Eucharist is the most treasured belief and source of grace that Catholics have.

Easter

“Easter is the celebration of Christ's resurrection from the dead. It is celebrated on Sunday, and marks the end of Holy Week, the end of Lent, the last day of the Easter Triduum (Holy Thursday, Good Friday and Easter Sunday), and is the beginning of the Easter season of the liturgical year.

As we know from the Gospels, Jesus Christ rose from the dead on the third day following his crucifixion, which would be Sunday. His resurrection marks the triumph of good over evil, sin and death. It is the singular event which proves that those who trust in God and accept Christ will be raised from the dead.

Since Easter represents the fulfillment of God's promises to mankind, it is the most important holiday on the Christian calendar.
